MALDIVES

story of a small island

Let us take you on a story...

Once upon a time there was a tiny tropical island; an emerald drop of paradise wrapped in soft white sands, surrounded by a vibrant coral reef, lapped by warm turquoise waters and hidden in the heart of a UNESCO biosphere reserve.

Milaidhoo is that island. That time is now and this is our story. Come, join us and write a few chapters of your life in the welcoming sands of the true Maldives...

The story of a small island

Not just another five star resort in the Maldives, at Milaidhoo we like to do things differently. We call it reinvented luxury. We've crafted everything around you, our guest, and aim to deliver friendly, bespoke service for you to write your story of the perfect holiday.

Above all, we offer a taste of the true Maldives. At Milaidhoo we invite you to explore the natural beauty of the country. Surrounded by a wonderfully vibrant coral reef and soft sands for your bare feet to sink into, our island offers you a place to simply be; time to simply breathe.

Tales of tropical beauty, nature and harmony

Here you'll watch dolphins play on the surface of the turquoise ocean. Here you'll snorkel our house reef where – in season – manta rays and whale sharks have been known to visit. Or take a traditional Maldivian sailing boat and head off into the far horizon, exploring coral reefs and deserted islands, and only coming home when you want to.

Do nothing but doze on our beach and leave the busy-stuff to the hermit crabs and herons. Dive deep into the ocean and discover the mysteries and beauty below the surface or join our marine biologist and learn about endangered wildlife. Here you'll find yourself – and lose yourself – in the heart of nature.

Milaidhoo moments

This is where you'll feel a million miles from everyday life. You'll discover inspiring moments that enrich your life and excite your spirit of adventure.

Don't just go fishing; instead join a Maldivian fisherman and learn how it's done here. Don't just go on an excursion; instead let a local take you by the hand and guide you through our culture and history. Don't just do a cooking class; accept chef's invitation to pick some local herbs with him and create a new dish together. Don't just drink cocktails; join our sommelier or bartender on a tasting class and see if you can concoct something good enough to make it onto the drinks menu.

Let us tell you a story

Full in love. With each other, with our island, with life. Again and again and again. Honeymooners are at home at Milaidhoo where, when you book our 'Perfect Honeymoon' package we'll name a star in the night sky after you. We have heavenly ideas for your weddings and even have an islander who'll help set the scene for the perfect romantic proposal.

A NEW CHAPTER OF BAREFOOT ISLAND LIVING BEGINS

We don't think of our guests as just holidaymakers. We think of you as storytellers, crafting your dream holiday. This is where your story of a small island begins...

Notes from the chef's table

At Milaidhoo we're serious about food, focusing on authentic, light food with clean flavours. Our three restaurants and two bars are designed to appeal to your senses, offering outstanding dining in wonderfully informal settings. No shoes required. Ever.

Signature restaurant

Perched on stilts over the lagoon, our signature restaurant is shaped like a dhoni (a traditional Maldivian sailing boat). Guests dine on the 'deck' of the restaurant where, underneath a stunning Maldivian sunset, the team of chefs deliver an island influenced menu of locally inspired and sourced dishes. Expect to find seafood and traditional local flavours intelligently reinterpreted for the 21st century.

OPEN FOR DINNER DAILY

The Grill

Our beachfront grill is where you'll find fine cuts of meat, fresh local fish and seafood, simply cooked and beautifully presented. We think several visits will be required including at least one evening at our teppanyaki table and one in our wine cellar. Easy, simple, no fuss.

OPEN FOR DINNER DAILY

All day dining

Here's the tropical breakfast you've always dreamed of: sitting on the deck by the ocean as you enjoy wave after wave of treats at your table. For lunch and dinner the style remains casually comfortable with international dishes perfectly presented. Here, the key words are fresh, flavourful and friendly.

OPEN FOR BREAKFAST,
LUNCH AND DINNER

Pool bar

We love our infinity pool that overlooks the ocean but wouldn't it be even better if it came with cocktails, something to nibble on and a tempting drinks list? We think so. Enjoy our poolside menu of the freshest of fresh juices, infused waters, cocktails and light snacks. The fun doesn't stop when the sun goes down; find yourself a sun lounger and watch the area transform into a laid-back chillout lounge.

OPEN FROM MORNING
TO LATE NIGHT

Signature bar

Our over-water bar and lounge is shaped like a traditional Maldivian boat ready to sail into the sunset. This is where you'll find cocktails that are fresh, creative and on point while the wine list has been designed to pique the interest of wine lovers with a choice of much loved classics alongside a selection of wines from lesser-known boutique wine makers.

OPEN EVERY EVENING

In villa dining

On the menu you'll find a carefully curated selection of dishes designed to please. If you're craving something different, simply let our chefs know what you fancy and it will be our pleasure to make it for you.

OPEN 24-HOURS

IN VILLA WINE FRIDGE

Love a glass or two of wine but haven't decided where or when you want it? We're ready when you are: just let us know your favourite labels and we'll stock the wine fridge in your villa, so it's there for you whenever you feel like a tipple.

THE MILAIDHOO GOURMET

At Milaidhoo we offer meaningful and memorable experiences. As part of that, The Milaidhoo Gourmet is a dine-around meal plan offering outstanding dining and drinks throughout the stay.

Enjoy your daily breakfast at leisure and follow it with an indulgent à la carte lunch at either our all-day dining restaurant or any restaurant open during the day.

Then smoothly move on to an à la carte dinner in either our all-day dining restaurant or grill. You'll also be invited to enjoy dinner at our signature restaurant once every four days and take a table at our weekly events.

To ensure you never go thirsty, all day long you're welcome to enjoy international and premium brands of spirits, beers and cocktails from our selection as well as fresh juices, soft drinks, mineral water, teas, coffees, milkshakes and smoothies from our selection and a premium selection of wines, hand-picked by our sommelier.
